Parish Founders

In 2013, St. Clare will celebrate its 100th anniversary as an active Parish: church, school and preschool. We have much cause to celebrate the fruits of the faith, labor and love that the Parish Founders demonstrated by building the campus we enjoy today.

Now, It's Our Turn

The purpose of *The Next Generation Campaign* is to raise the funds necessary to repair, restore and renew the St. Clare campus. As we do today, tomorrow's families will worship, learn, teach and serve on the St. Clare campus, sharing the life-transforming power of God's Word. Join your community and invest in a lasting legacy for the future of St. Clare.

How Can I Help?

The Next Generation Campaign will raise a total of \$1.85 million dollars by 2013. As a Parish, we have saved \$350,000 to begin work on Phase One. We must come together to contribute the remaining \$1.5 million dollars to complete Phase Two. Please make your sacrificial gift or pledge today. Return the form below by mail, in the Mass collection, or at the school, preschool or Parish offices. Together, we will honor the past, enhance the present and provide a legacy for the future.
