Youth Ministry has a High School and Middle School Beach Trip scheduled in August. Cost is \$25. We leave St. Clare at 10am and will be back at 9:30pm. Our day will be spent in Seaside, stopping at the arcade, bumper cars and miniature golf. Then we will pick up some custom bicycles and head to the beach. A stop at the aquarium before heading back to Portland is also on the itinerary.

You'll need spending money for the arcade, lunch in Seaside (or bring a sack lunch) and to stop and eat on the way back to Portland.

You'll need a swimsuit, towel, sunscreen, spending money and change of clothes. More info and permission slips are available at the church entrances. They will also be emailed out later this week.

Can you help chaperone? Please make sure you've completed the archdiocesan requirements and let us know.
